Re: CLIENT'S NAME AND LOAN NUMBER

Reason for My Delinquency

At the time we bought our home I was working for Disney. I worked for this company for more than 15 years. However back in May of 2006 I was let go from Disney without cause. I disputed the case and I won and I am back at work however in a different department. During the time that I was out of work I was not paid and I could not receive unemployment this caused me to not be able to pay my mortgage. In addition to the fact that I was fired, my husband has also had medical problems.

We ***do*** want to save our home and ***do not*** want to lose it into foreclosure. We are accustom to paying our bills. Both my wife and I realize that our delinquency is early in our contract, however the circumstances which have brought us to this juncture in our life we could not control. We are pleading for your help us.

Although we are not in a position to bring our mortgage current, things have stabilized. We are seeking your assistance under the loss mitigation program. We are requesting consideration for a loan modification or other loss mitigation options. We have gone for counseling and we are seeking counseling from _____. We have been advised by our counselor to continue to save all dollars pending your decision.

Thank you in advance for your time and consideration in this matter.
