- You must complete the first three sections (Sections A, B, and C) as well as sign and date the application in order for your application to be reviewed if it is selected for further processing. The application should be completed very carefully. Incomplete information for the number and names of household members applying to live in the unit, or their incomes, may result in disqualification. In addition, do not use white-out or liquid paper anywhere on the application. If you need to correct a mistake, you should (a) cross one line neatly through the information, (b) write the revised information neatly next to it, and (c) sign your initials near the change.
- 3. When completed, this application must be returned by regular mail to the address below.
- 4. Only the application should be submitted at this time. If your application is selected for further processing, additional information will be requested at that time.
- 5. Mail completed application to:

The Modern Apartments c/o Community Housing Innovations 75 South Broadway, Suite 340 White Plains, NY 10601

- 6. No payment should be given to anyone in connection with the preparation or filing of this application. No broker or application fees may be charged.
- Income Eligibility: A chart which breaks down the mandatory income levels for the the building you are applying to, based on household size, is available upon request. All income sources for all household members should be listed on the application. In general, gross income is calculated for most applicants, except that net income is analyzed for self-employed applicants. Net business income from current and prior years is considered for self-employed applicants, and such applicants must have at least two (2) to three (3) complete years in the same self-employed field. Further, please note that all sources of income must be able to be documented and verified. If your application is selected for further processing you will be contacted, via the method you select on the application (email or paper mail), with a list of such documentation that you will need to provide at that time.

- 8. <u>Other Eligibility Factors</u>: In addition to the income requirements, other eligibility factors will be applied. Eligibility factors include, but are not limited to:
 - a. Credit History
 - b. Rent Payment History
 - c. Criminal Background Checks
 - d. Qualification as a Household the Agency's housing programs are designated for individuals, families and households who can document financial interdependence as a household unit. These affordable programs are not intended for "roommate situations" and so such applicants will not be eligible under this household criterion.
 - e. Continuing Need Applicants to HFA's affordable housing programs must demonstrate a continuing need for housing assistance through an analysis of their assets and recent income history.
 - f. Property Ownership Applicants to rental units may not own residential property, or shares in a co-op, in or within one hundred (100) miles of the project site.
- 9. <u>Primary Residence Requirement:</u> Any applicant ultimately approved for this development must maintain the new apartment as their sole primary residence. If approved for an affordable housing unit, the applicant must surrender any unit where applicant is then currently residing. Each member of the applicant's household who leases rental residential real property must terminate the lease for and surrender possession of such rental property on or before the move-in date for a rental affordable unit.
- 10. <u>Submission of False or Incomplete Information</u>: Prospective applicants should be aware that this is a government assisted housing program. The submission of false or knowingly incomplete information (either in this application or in any subsequently provided verification documents) will not only result in an applicant's disqualification, but will be forwarded to the appropriate authorities for further action including the possibility of criminal prosecution. All paperwork and documents submitted by applicants are subject to review by New York State and the City of Mount Vernon.
