Homeownership Initiative Launched On Long Island
Scholarships Available for First-Time Homebuyer Education

One hundred-fifty people eager to learn how they might become successful homebuyers attended an orientation session on Thursday, October 15 sponsored by CHI, Century 21 Adams Real Estate, and the Town of Babylon. They came at one of the best times to buy on Long Island, with interest rates at record lows and housing prices that have not fully recovered from the financial crisis.

CHI is administering about $600,000 in down payment assistance from the New York State Affordable Housing Corporation and seeking qualified homebuyers for $25,000 grants.

In order to promote "responsible home ownership," Century 21 Adams is offering $50 scholarships to qualified Long Island homebuyers towards the $99 education course and counseling offered by CHI.
